

Certificate  
in recognition of

# Ulfoss Plastic A/S

as  Operation Clean Sweep® Partner having pledged to  
implement the OCS programme for achieving Zero Pellet Loss

Operation Clean Sweep® is an international programme designed to prevent the loss of plastic granules (pellets, flakes and powders) during handling by the various entities in the plastics value chain and their release into the environment.

By signing the Operation Clean Sweep pledge the holder of this certificate recognises the importance of preventing spillages into the environment and has committed to a set of actions aiming at zero pellet loss from the company's production.
